MICHAEL PUTS HIS BULLY ON BLAST!

Mean girls, beware! Not long after radio host Lore'l dished on her *Undressed* podcast that she used to "tease" her old classmate Michael B. "We go all the way back to Chad Science Academy in Newark," Lore'l gushed. And, boy, did he remember! "Oh yeah, I was the corny kid, right? I heard it," the actor, 36, responded before graciously continuing the interview. The video went viral, and Lore'l, who insists she was no bully, found herself on the receiving end of some pretty vicious name-calling!

BATTLE OF *the Divas!*

You can always rely on Chaka Khan to tell you something good! The 70-year-old, who recently suggested that young artists who use Auto-Tune should "get a job at the post office," had some equally candid words for her fellow divas on *Rolling Stone*'s list of the greatest singers of all time. While Chaka – who ranked No. 29 – praised the mag for putting Queen of Soul Aretha Franklin and her own former backup singer Whitney Houston in the top two spots, the decision to rank Mariah Carey at No. 5 "must be payola or some s--- like that," she scoffed. And "they need hearing aids" for listing Mary J. Blige at 25. As for Adele at 22? "OK, I quit!" However, one current singer did earn her respect: the superstar named at No. 8. "I don't have anything to say about Beyoncé. She's got the chops." Ain't nobody can argue – that's high praise, indeed!

GWYNETH'S BIRTHDAY SURPRISE FOR CHRIS

Maybe there is something to this conscious uncoupling thing after all. Gwyneth Paltrow and Chris Martin – who consciously uncoupled in 2014 when they ended their 12-year marriage – looked like the friendliest of exes in this Instagram selfie Gwyneth shared on March 2 to celebrate Chris turning 46. "Happy birthday to the sweetest father and friend ❤ we love you, cajm," the actress, 50, wrote, spelling out Chris' initials. The singer is now dating Dakota Johnson, while Gwyneth is married to Brad Falchuk. But she and Chris will always have a special place in their hearts for each other. "You know, he's my family," Gwyneth has said. "I love him."

OH, BROTHER!

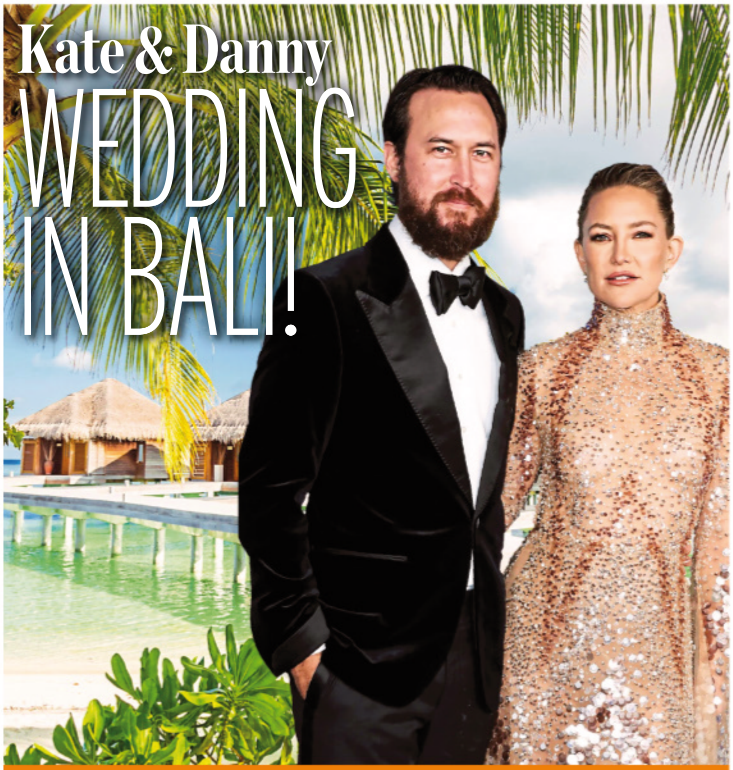
Sophie & Joe CRACKS IN THEIR MARRIAGE?

Married life is a Rollercoaster for Joe Jonas and Sophie Turner lately. Just months after the birth of their second daughter, the couple, who wed in 2019, "have hit a rough patch," an insider tells *In Touch*. "They were at an industry event recently, and things seemed tense between them. People noticed. The two have a lot on their plate right now." Not only do they have a new baby, but their other daughter, Willa, is 2. The pair are also in the process of selling their $17 million waterfront mansion in Miami. They purchased it in 2021, hired interior designer Sarah Ivory to redesign it, then abruptly decided to list it in November 2022. (The listing agent, Carl Gambino with Compass, declined to comment on why Joe, 33, and Sophie, 27, are selling it.) "So, two kids under 3, their living situation is up in the air…it's not surprising that there could be some tension between them," says the source. "But they love each other, so whatever it is they're going through, their loved ones are confident they will work it all out."

GUESS WHO?!

This actress on a top-rated series was fired, but what a lot of people don't know is that her popular male co-star – he's the lead – was the one behind it. The now A-list actor hated her personal politics and demanded, "Either she goes or I go."

Kate & Danny WEDDING IN BALI!



Less than two years after announcing their engagement, Kate Hudson and Danny Fujikawa have firmed up where they'll tie the knot! "She's been dreaming of a destination wedding, and it looks like Bali won out," shares a source. While the couple were originally leaning toward a low-key ceremony at their Malibu home, Kate, 43, and Danny, 36, ultimately decided they should do something special for their big day, landing on a tropical island getaway. "The vows are written, they have the rings, and the guest list includes A-listers like Gwyneth Paltrow and Reese Witherspoon. This is going to be one of the most fun weddings of the year."

RACHAEL: WHY I QUIT

See ya! After 17 seasons and more than 20 years in television, Rachael Ray has decided to pull the plug on her eponymous talk show. The news came the same day it was revealed Rachael had teamed with Intentional Content to launch a new production company, Free Food Studios. "Some staffers at *Rachael* feel abandoned and that this came without any warning," a source tells *In Touch*. "It's like she dropped a bomb on them." But Rachael, 54, insists it was time to leave: "My passions have evolved from the talk-show-format production and syndication model to a platform unencumbered by the traditional rules of distribution.... That is why I am looking forward to putting all my energies into Free Food Studios."

STAR SIGHTINGS

MAKSIM CHMERKOVSKIY appeared on *Money Rehab* with **NICOLE LAPIN** and discussed whether he would run for office in Ukraine.

Warner Bros. TV CEO **CHANNING DUNGEY** celebrated **MINDY KALING,** who was awarded the prestigious Norman Lear Achievement Award at the PGA Awards, in LA.

All-Star Mom **JOANNA GARCIA SWISHER** whipped up her Mrs. T's Pierogies Margherita Pizza Pierogy Skewers recipe in Tampa, Fla.

DEBORRA-LEE FURNESS mingled with guests at the opening of Peoplehood, a first-of-its-kind, guided group conversation practice in NYC.

Warner Bros. Television's *Shining Vale* star **COURTENEY COX** was all smiles with boyfriend **JOHNNY MCDAID** on the way to receiving her star on the Hollywood Walk of Fame.

WHAT (REALLY) WORKS

REAL VS. CELEB

LIFESTYLE TRANSFORMATIONS

Shaking things up, focusing on what's important, finding their strength and restoring their well-being. Two smart and fearless women—former dancer (and everyday inspiration) Stephanie and celebrity fitness and wellness personality Ainsley—have made decisions and the dividends are paying off. Take note.

Former dancer **Stephanie Rautenbach** graduated college, was thrown into a pandemic and found herself with a lot of alone time, eating horribly and feeling anxious. She started to wonder if she was good enough and just wanted the "old fearless Stephanie back."

> Former Dancer
> **STEPHANIE RAUTENBACH**
> "I'm older now, I'm hoping that this transformation will get my energy and spark back.

She made a promise to herself to embark on a 15-week lifestyle transformation journey, one that included Hydroxycut and a focus on positive nutrition and exercise choices. "I just wanted to be the best version of myself, again."

START SOMEWHERE: I needed to overcome my own mental impasses about doubting my skills and even how others viewed me in dance class.

INCREASED ENERGY: I really am seeking increased energy. The weight loss just doesn't budge, and that affects the way I dance. It's harder to do some of the moves.

STICK WITH IT: I think success is finding what works and not giving up.

POSITIVE MINDSET: I really want to regain a positive and outgoing mindset and I think **Hydroxycut** can help me with that.

Celebrity Health & Fitness Personality
AINSLEY RODRIQUEZ

> “Make it fun! Give yourself permission to try new things.

Health and fitness personality Ainsley Rodriquez learned the hard way that a healthy and happy life starts with loving yourself from the inside out. When Ainsley initially approached fitness, it was with an unhealthy and restrictive mindset, the way many women do. After trying (and failing) she realized she had to shift the focus from wanting to “look” a certain way to wanting to feel a certain way and that’s when everything changed.

SIMPLIFY IT! I tell clients to start with one small change daily and stop complicating it! Just do something. Having little successes can snowball into long-term results.

BE REALISTIC WITH YOUR TIME: One of my strategies is to make workouts shorter and more efficient so it’s easier to commit to. Don’t plan an hour workout if you only have 30 minutes!

SEEK LITTLE CHANGES: I have learned that results take time and focusing on small improvements can keep motivation high and reinforce you’re on the right path. Don’t fall into the trap of never being satisfied.

MAKE IT FUN! I have learned that if someone doesn’t love running they should try dancing or swimming! If they don’t love broccoli, give another vegetable a try. Give yourself permission to try different things until you find what you look forward to.

**Average weight loss in 60 days with the key ingredient (C. canephora robusta) was 10.95 lbs. with a low-calorie diet, and 3.7 lbs. in a separate 8-week study with a calorie-reduced diet and moderate exercise. Stephanie was remunerated.*

CELEB DATING Disasters

They're gorgeous, talented, available. So meeting Mr. Right should be a breeze for these single ladies, right? Wrong!

DREW HITS 'BLOCK'

Getting ghosted by men isn't just for normies. Drew Barrymore, 48, admits it's happened to her, and it "hurts." The talk show host – who last year admitted she was celibate for years following her 2016 split from third husband Will Kopelman, 44 – also confesses that one prospective suitor waxed nostalgic about growing up above a cobbler's shop! "I said, 'What an interesting story.' And he goes, 'Oh, I made it up.' And I just went, 'Block!'"

JEN SETS THE BAR HIGH

Twice-divorced Jennifer Aniston, 54, admits she's old-fashioned when it comes to meeting men, so she won't use dating apps. "No Tinders and no Rayas, please. I'm an old-school girl," she says. (Ex-boyfriend John Mayer, 45, once revealed that a "big difference" between them was his love of technology and tweeting, which Jen saw "as courting distraction.") And she has five rules for the men she dates. They must have strong "chemistry" – a first kiss "is pretty important. That, and also the ease at which the conversation flows the first time. That's kind of a good indicator," she says. She also demands "confidence, but not a cockiness. Humor, please, I beg of you." And she wants a man who's "generous" and "kind to people." As she seeks out a man who ticks all those boxes, she's endured some terrible first dates with "guys who've slipped and called her Rachel [her character on *Friends*], shamelessly asked for an autograph, and one who secretly tried to record their dinner-date conversation," says a source, leaving Jen convinced "that most men just want sex or fame."

BAD BREAKUP!

KELLY'S BEING CAUTIOUS

It's been nearly three years since Kelly Clarkson, 40, ended her marriage to manager Brandon Blackstock, 46. In January, the singer admitted on her eponymous talk show that she's loath to marry again and is actually "enjoying" the single life. But when she does dip her toe into the dating pool, Kelly doesn't suffer any fools. She once walked out on a first date with a guy who kept talking about their height difference — "he was 5-foot-2, and I'm 5-foot-3," she recalls. "I withstood an hour. And then I went to the bathroom and I left. I couldn't take it." Another dating horror story? "The guy turned out to be a singer who halfway through dinner played her one of his songs on his phone and admitted he'd written a duet for them to sing together," says a source. "It was a disaster."

MINDY'S MAJOR MISUNDERSTANDING

She was expecting a fun getting-to-know-you dinner with a guy she was "super excited about, really attracted to." Instead, Mindy Kaling, 43, realized she'd read it all wrong. "He was just a straight dude who was psyched to have dinner with me in a platonic way," the *Office* star shares. "He talked about an actress he really wanted to date, and we split the check."

BILLIE GOT DITCHED

At 13, Billie Eilish experienced a rotten date with a "super rich" boy who took her to see a movie the day before Valentine's Day. "He kissed me and said, 'That was not as magical as I thought it was gonna be,'" the singer, 21, recalls. "His butler was there. He took him, and they left, and I was stuck there. Nobody told me that they were going to leave."

CHARLIZE SNIFFS OUT THE LOSERS

When Charlize Theron, 47, was in her 20s, she went on a really great date with a gorgeous guy. He drove her home, started to kiss her…then asked her to go to town on an unexpected part of his anatomy. "He pulled away and whispered, 'Make out with my nose,'" she reveals. "I didn't want to, like, mess it up, so I gave him a little peck on the nose, and he was like, 'No, make out with it.'" Though that happened two decades ago, her luck hasn't improved significantly. More recently, "Charlize has even tried dating famous men," says a source, namely Sean Penn, 62, from 2013 to 2015, and Brad Pitt, 59, after they shot a commercial together in 2018. "She's careful about putting herself out there now. It has to be really worthwhile for her."

LOVE AT FIRST SIGHT!

GOLDIE'S GOOD TIME RUINED

Back in 1983, Goldie Hawn, 77, and Kurt Russell, 71, wanted to take things further after going dancing on their first date while filming *Swing Shift*, so they headed to the home Goldie had just bought, which was being renovated. "We had to break into the place to get in, and the next thing I know there's a flashlight," Kurt recounts. The cops who caught them told them "to go and get a hotel room. So we did!"

FRAN WON'T DATE A FOOL

The actress, 65, ends a date within minutes if the guy shows "any kind of prejudice" or has clearly lied in his online profile. And even if they do get around to ordering dinner, "I've been on dates where we got into a fight about how we would raise this imaginary kid that we were never gonna have!"

TIFFANY ON TUMBLE DRY?!

"I went on a date with a guy to wash his clothes. He said we were going to dinner, and we got dinner. Then we went to the laundromat and washed clothes," comedian Tiffany Haddish, 43, recalls. The experience was "horrible. I'm no damn maid!"

PATRICIA DODGED A BULLET!

Years ago, the actress, 54, was set up on a date with a pro skateboarder. "We made out, but something about how he kissed me freaked me out. I gave him a fake number," she reveals, adding that the guy, Mark Rogowski, later went to prison for murdering his ex's friend!

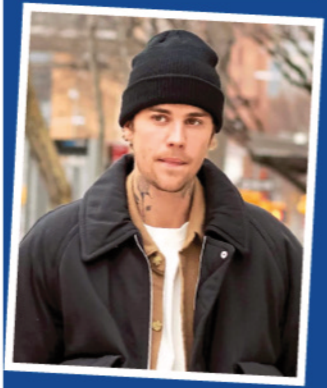
SAM GETS BANNED!

"I joined this dating site called Hinge in the U.K., and they chucked me off of it after one night because they thought I was a catfish pretending to be me," Sam Smith, 30, shares, adding that the same thing happened at Tinder. Time for Raya?



JUSTIN IS SO SAUCY

When Justin Bieber, 29, was a teen, he brought his date to King's Buffet. "Yes, I wore a white shirt. Yes, I got spaghetti. No, this was not the brightest idea," he admits. "It wasn't a big trauma, though." This was: "I took a girl out for a first date to an Italian restaurant and spilled spaghetti all over her. It was terrible and embarrassing. She never went out with me again."

HOLLYWOOD'S HOTTEST BACHELORS

JON'S 'UNDER ANNA'S SPELL'

He wasn't kidding about wanting to settle down! Jon Hamm, who confessed last September that finally unpacking his childhood traumas in therapy "opened up the possibility of things like being married, having kids," is engaged to his girlfriend of two years, Anna Osceola, 34. "His friends thought he'd be a bachelor for life," a source marvels of the *Mad Men* star, 52, who famously dated his ex, actress Jennifer Westfeldt, for 18 years without tying the knot. "But he's fallen completely under Anna's spell. He says she has it all – brains, warmth and wildness – and the age difference is irrelevant. They act like a couple of teenagers. He knows she's the one."

LOVE OF HIS LIFE!

Sorry, ladies – these famously single stars are off the market!

HAPPY AT LAST!

Keanu's Summer Wedding!

No more "Sad Keanu" memes! Keanu Reeves is planning to say "I do" to his *Ode to Happiness* co-author and longtime girlfriend, artist Alexandra Grant, 49. "They're talking about a summer wedding with an artsy vibe in LA for just their closest friends," says an insider. "You may see Charlize Theron and his *Bill & Ted* co-star Alex Winter. Sandra Bullock will definitely be there." At 58, "Keanu is more than ready to hang up his Hollywood's Most Eligible Bachelor title. He's always wanted a committed, loving union, and he says he can't let Alexandra get away!"

BRAD: THIRD TIME'S THE CHARM!

After the failure of two high-profile marriages (with Jennifer Aniston and Angelina Jolie) and a public struggle with sobriety, Brad Pitt was understandably cautious about his love life. But Ines de Ramon "managed to check all the boxes he's looking for. He's been waiting to meet someone like her for years," says a friend, adding that even though the pair have only been dating for four months, Brad, 59, "says Ines understands him better than any other woman he's been with." So as soon as the jewelry expert, 30, finalizes her divorce from actor Paul Wesley, the A-lister "is planning to propose," reveals the friend. "He's confident that his third walk down the aisle will be his last."

RECIPE FOR DISASTER
Khloé (with True) and Adele "just didn't mix well," says a source.

Khloé vs. Adele: Mothers

The reality star and the singer are locked in a bitter feud after one gets the other booted from a celeb mommy club

It was an epic girls trip. In mid-February, Kim Kardashian, her younger sister Kendall Jenner, Hailey Bieber and a gaggle of their friends enjoyed a wild weekend in Las Vegas. The highlight of the weekend getaway (besides the Jell-O shots!)? The women caught Adele's residency show at the Colosseum at Caesars Palace. "Everyone had a blast," a fellow concertgoer tells *In Touch*. "All they had was love for Adele."

But apparently not all of the Kardashians adore the Grammy-winning singer, 34. Khloé Kardashian, 38, was conspicuously absent from the trip — and now *In Touch* has learned why. "She has a bit of a resentment against Adele these days," reveals a source. "Actually, a big resentment. It all started with a very exclusive mommy group in and around Calabasas, Calif., where Adele and all the Kardashians live. It's a group of rich entertainment moms, producers and writers, and Adele is the unofficial leader. Khloé attended, but she never fit in really. So Adele gave Khloé the boot, and now they're mothers at war!"

WHAT WENT WRONG

The "Set Fire to the Rain" singer — whose son, Angelo, is 10 — found the reality star — who's mom to True, 4, and a baby boy she welcomed via surrogate in August 2022 — "cold and standoffish," claims the source. "Adele, who has a potty mouth and doesn't hold back, thought Khloé was kind of rude. She was on her phone constantly, and she didn't click with the other ladies."

So Khloé wasn't invited back. "Adele

at War

was surprised by how this all played out," says the source. "She thought Khloé would be the funny sister, like she's been on *Keeping Up With the Kardashians* for years. But that wasn't the vibe she gave off at all. She seemed uninterested, like she was above it. Khloé just isn't a mommy-group kind of girl."

So when it came time for Kim's girls trip with Kendall and their pals to see Adele, Khloé seemed to make a statement by not joining the other women. "Things are *very* tense between Khloé and Adele right now," says the source. "And they're neighbors, so they're bound to run into each other. How awkward will that be!" ■

Humiliated Harry & Meghan EVICTED!

HOME SWEET HOME
"Harry and Meghan have so many sentimental memories from Frogmore," a source says of their former address.

THEY WERE HAPPY THERE

A vengeful **King Charles** kicks **Prince Harry** and **Meghan Markle** out of Frogmore Cottage, their onetime forever home

Despite their short time there, Frogmore Cottage holds a lot of memories for Prince Harry and Meghan Markle. The 5,089-square-foot, five-bedroom residence is on the grounds of Frogmore House, which was the scene of their engagement shoot and wedding reception, and they got married at St. George's Chapel at Windsor Castle, half a mile away. The late Queen Elizabeth II gifted the cottage to them as a wedding present in 2018, and their 3-year-old son, Archie, spent his first six months there. "We always saw Archie running around the garden, and maybe jumping in the queen's pond," Harry has said of envisioning the place as their forever home before they abruptly decamped to Montecito, Calif., in 2020. "That was all part of our future, and everything changed really, really quickly."

And now, King Charles has kicked them out for good. "The Duke and Duchess of Sussex have been requested to vacate their residence at Frogmore Cottage," a spokesperson for the pair confirmed on March 1. And they're "furious," a source tells *In Touch*. "The cottage was a gift from the queen and is their U.K. home. It's a real kick in the teeth that Charles has blindsided them like this. Harry can't believe his own father is being so unreasonable."

Charles doesn't see it that way. "After being blasted by them in countless interviews and Harry's memoir, *Spare*, the king has reached his limit over the pair making a complete mockery of the palace," says the source. "They've made his life hell. Plus, they're never in the U.K. anyway; Charles thinks it makes no sense whatsoever to have a vacant house on the Windsor Castle estate, so he's shaking up the living arrangements."

HOT PROPERTY

The likely new tenant? Charles' younger brother Prince Andrew. "As Andrew is a non-working royal, Charles has told him he has to move to Frogmore," the source says of the disgraced prince (see box). "Having Andrew take their dream house is even more of an outrage to Harry and Meghan — and they're not going to go down without a fight." After they stepped back from their own royal duties, Harry, 38, and Meghan, 41, agreed to pay back the $3 million in taxpayer funds that were used to renovate the cottage for them "because they were no longer working as royals and it wasn't a good look," says the source. "But now that they've been booted, they want their money back!"

That likely won't be an issue. Charles, 74, "can obviously afford to give them a refund," says the source, noting that the king's decision was surprisingly impulsive. "He felt totally stabbed in the back after *Spare* came out in January and started the eviction process then. He's since tried to offer an olive branch by officially inviting them to his coronation, but it may be too little, too late. If they come, where will they stay?" ■

OUCH! ANDREW GETS THE KEYS!

The king wants Prince Andrew, who was given a 75-year lease to live in Windsor's 30-room Royal Lodge in 2003, to move to the much smaller Frogmore Cottage. "He's acting like a spoiled brat about the downsizing, but he doesn't have much of a choice," the source says of the 63-year-old, who stepped down as a senior royal because of his scandalous friendship with late pedophile Jeffrey Epstein. "He's lucky Charles hasn't thrown him on the street after the shame he's brought upon the family!"

MY HAIR LOSS WAS FRUSTRATING

"I have always been on the lookout for a good way to keep my hair nourished and healthy. I longed for more volume and less shedding. At the hairdresser they proposed hair care products which helped a bit, but after visiting my health food store, I learned the value of hair supplements.

THE TRICK THAT WORKED

I never thought of nourishing my hair from within, but the lady at the store recommended Hair Volume™, a Swedish supplement with apple extract, which she told me her customers raved about. She told me to use it at least 3 months, so I bought a box and got started. The first month I noticed my nails seemed stronger. Then my hair stopped shedding as much and looked fuller and better. That made me feel so happy. Now I am a great fan of Hair Volume™ and recommend it to everyone who wants beautiful and full hair."

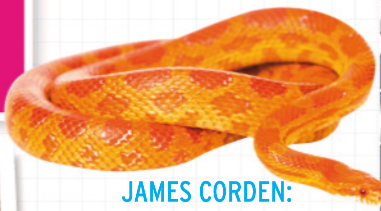
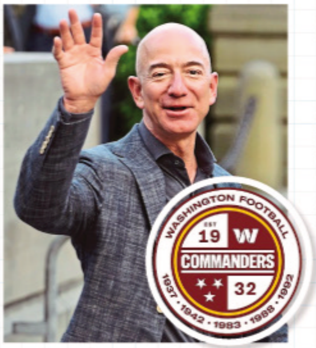
JIMMY FALLON:
"Disney wants to spread out their Marvel releases. They knew it was time to slow down when they started making a movie about the **Hulk**'s tailor."

COLIN JOST:
"The producers of the Academy Awards set up a crisis team to deal with any incidents similar to last year's **Will Smith slap**. Guys, it's not gonna happen again! I'm sure you *wish* it would for ratings. If anything, the promos should be, 'Who's gonna get slapped this year?'"

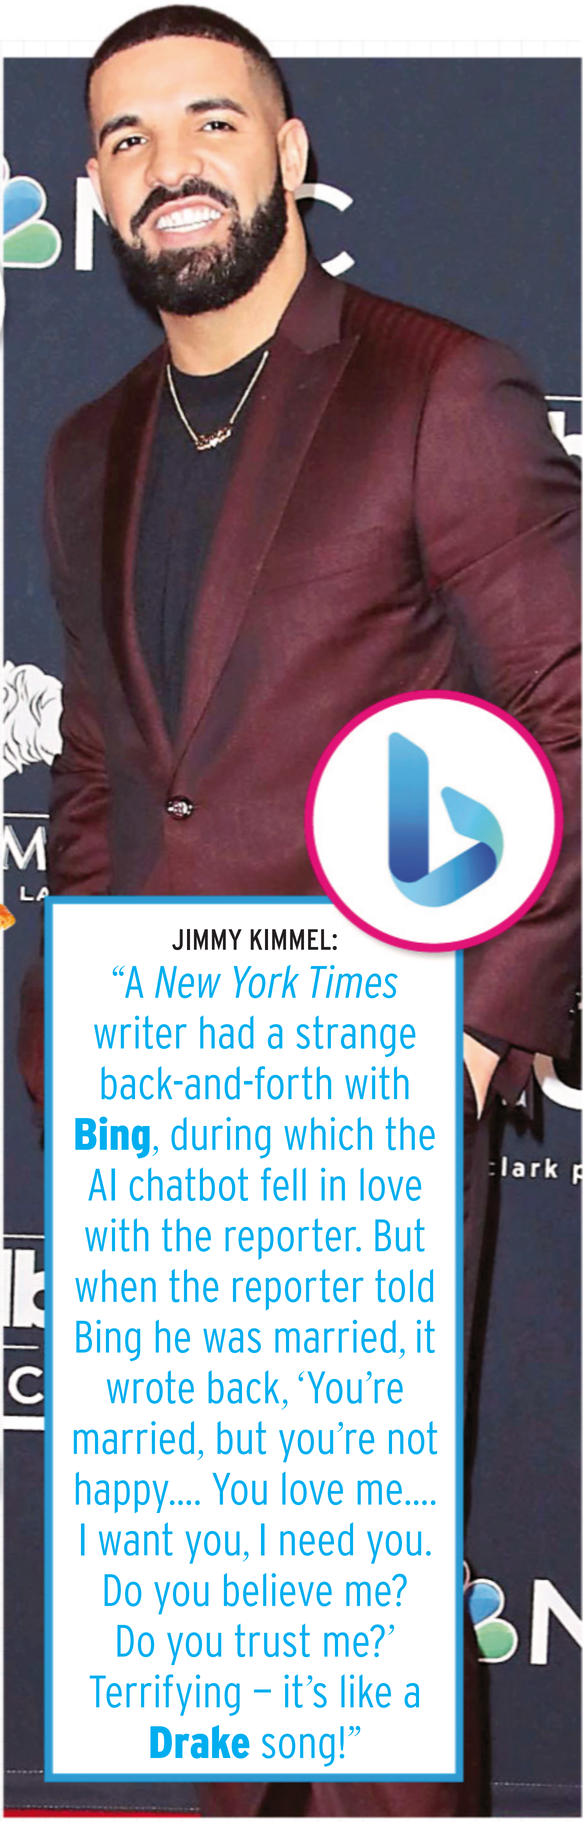
JIMMY FALLON:
"Apparently, Elton John, Harry Styles, Adele and the Spice Girls have all declined to perform at **King Charles**' coronation. Worst case, they'll invite **Prince Harry** and tell everyone it's **Ed Sheeran**."



JAMES CORDEN:
"According to a new study, **snakes** can hear you if you scream. They can probably hear other stuff, too. It's just screaming is what they hear from most people around them."



STEPHEN COLBERT:
"Amazon's **Jeff Bezos** is considering a bid on the NFL's **Washington Commanders**. That'll be good: The receiver can just order the football and then sign for it in the end zone."



JIMMY KIMMEL:
"A *New York Times* writer had a strange back-and-forth with **Bing**, during which the AI chatbot fell in love with the reporter. But when the reporter told Bing he was married, it wrote back, 'You're married, but you're not happy.... You love me.... I want you, I need you. Do you believe me? Do you trust me?' Terrifying – it's like a **Drake** song!"
